FUNDRAISING DRIVE BRINGS HOPE TO EARTHQUAKE VICTIMS IN MINDANAO, PHILIPPINES

In the spirit of bayanihan—the Filipino tradition of unity and helping one another—the Filipino Healthcare Professionals, a chapter organization of BPGÖ in Linz, Upper Austria, successfully organized a fundraising drive to provide relief and hope to families affected by the devastating earthquake in Mindanao, Philippines.

The humanitarian initiative was spearheaded by the organization's President, Tanya Kate De Vera, in collaboration with PANÖ, under the leadership of President Janet Heiss, and the GAC Church in Linz community, represented by Ma. Eileen Faith Alipoyo.

The project was made possible through the unwavering generosity of donors and supporters from the Filipino community across Austria, whose compassion and solidarity made a meaningful difference in the lives of those in need.

KINDNESS KNOWS NO BORDERS

Through the collective efforts of volunteers and partners, relief goods, clean drinking water, food supplies, hygiene kits, and other essential necessities were delivered to earthquake-affected communities in Mindanao. These donations provided immediate assistance to families who had lost their homes and livelihoods, helping them meet their basic needs during a time of great uncertainty and hardship.

Beyond the distribution of relief goods, the fundraising drive served as a powerful reminder that kindness knows no borders. Every donation, every helping hand, and every act of generosity became a symbol of hope, bringing comfort and encouragement to those struggling to rebuild their lives. The initiative demonstrated that even from thousands of kilometers away, the Filipino community in Austria remains deeply connected to their homeland, united by compassion and a shared commitment to serving others.
